

Fresh from the sea...

BABY MARINE
GROUP

Baby Marine Group, a name globally known in the Seafood Industry for its quality and consistency, is the first ever producer of Organic Shrimp in India, and the World's first producer of Organic Fresh Water Shrimp (Scampi).

Baby Marine Group is sprinkled in the South Eastern and Western coasts of India, in the picturesque locations of the states of Kerala, Karnataka, Tamil Nadu and Goa with its Head Office at Cochin, the commercial capital of God's own country.

The Seafood Processing establishments are the creation of Mr. K.C. Ninan, the founder of Baby Marine Group. He is supported by his two sons Alex and George who walk in stride with the changing world scenario and feel that the Seafood Industry in India is yet to unravel its best. Since its inception in 1969 the Group has grown from strength to strength and made its mark in the Seafood business worldwide.

The Group has a network that sources the finest sea produce from the Indian Ocean and inland shrimp farms. The factories are well equipped and can process any kind of sea produce, at any time. They are backed by highly qualified personnel, dedicated workers and superior technology.

Quality Control is of high importance at all the establishments with the customer in mind. Highly qualified personnel keep a vigil and monitor product quality and safety.

Baby Marine's product range is exported under the brand name OCEAN STAR, FISHERMEN'S PRIDE, SARASS. They are packed in bulk or consumer style, as per the requirement of the buyers.

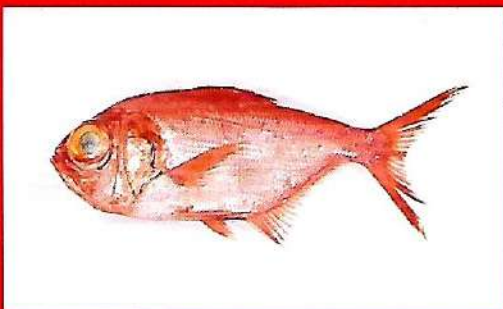

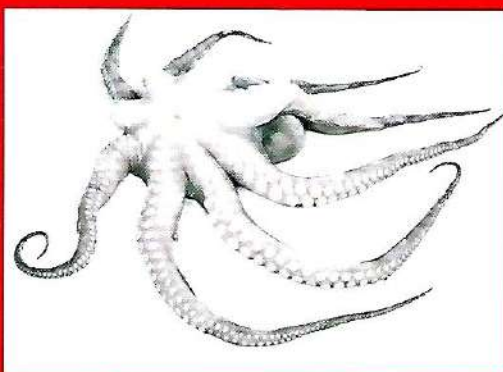

BABY MARINE INTERNATIONAL, COCHIN

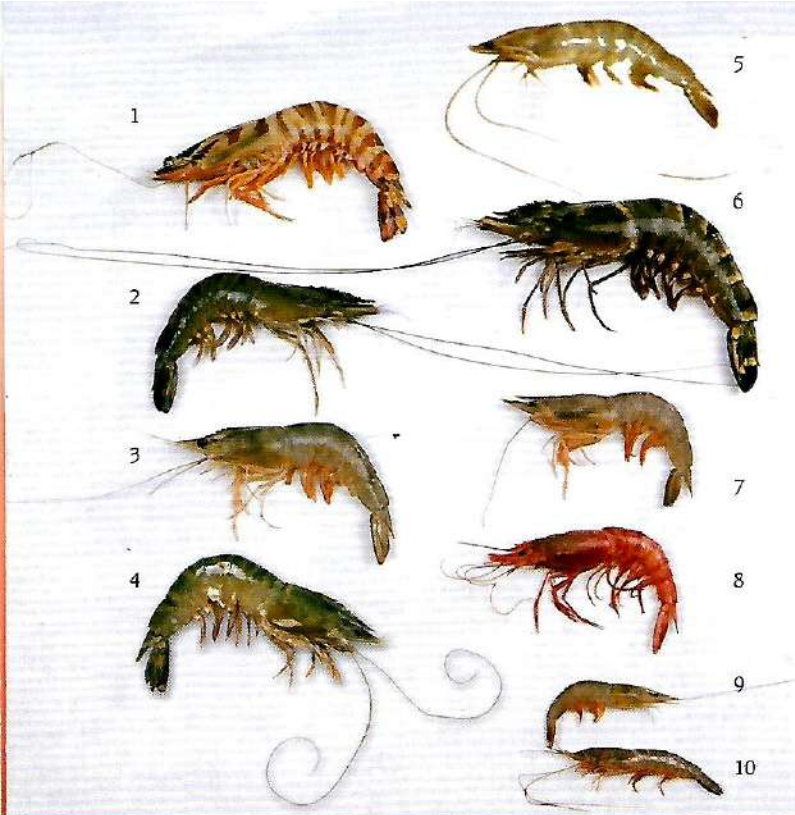

Sandwiched between the serene backwaters of Cochin, and the highway, this factory, established in 1992 is just 500 metres from the main fishing harbour in India. It is equipped with the latest machines in Individually Quick Frozen (IQF) technology - Spiral freezer, Trolley / Air Blast freezers and has a total freezing capacity of 28 MT / day. Certifications: EU, US FDA, BRC, Naturland and Bio suisse. The Factories follow HACCP principles for safety and quality.

BABY MARINE SARASS, MANGALORE

Situated near the most important landing centre of Karnataka, on the West Coast of India, this firm established in 1994, is equipped with the conventional Block / Plate freezers, Trolley / Air Blast freezers. It has a total freezing capacity of 21 MT / day. The factory has close proximity to aquaculture farms. The Black Tiger, Vannamei, White and the locally known Poovalan and Karikkadai specie of shrimps, much sought after by Japanese buyers.
